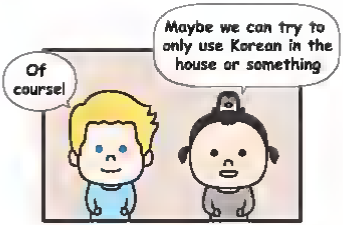
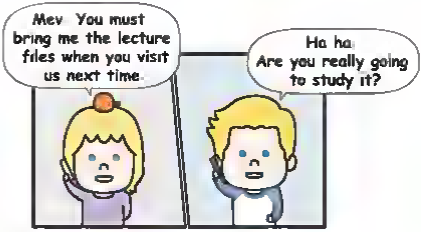
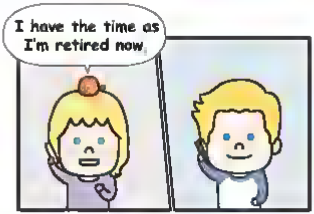
Gail's Korean

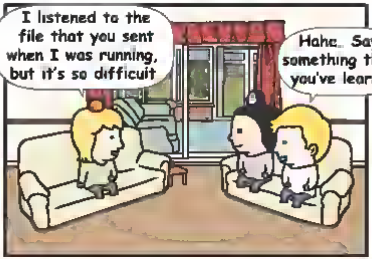


Since we talked about this a while ago,..

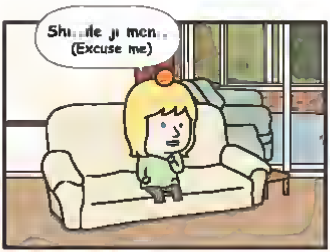




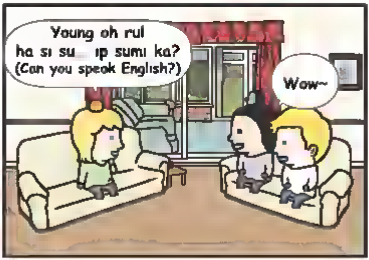
My mother in law,
Gail decided to study Korean.



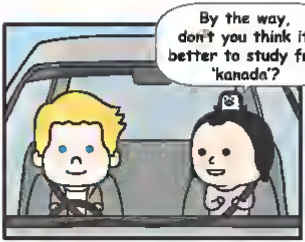
I listened to the file that you sent when I was running, but it's so difficult
Haha.. Say something that you've learnt



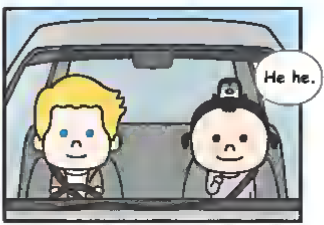
Shi..ie ji men..
(Excuse me)



Very slow, but she's been leaning something a little by little.



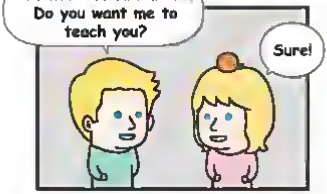
*Korean alphabet



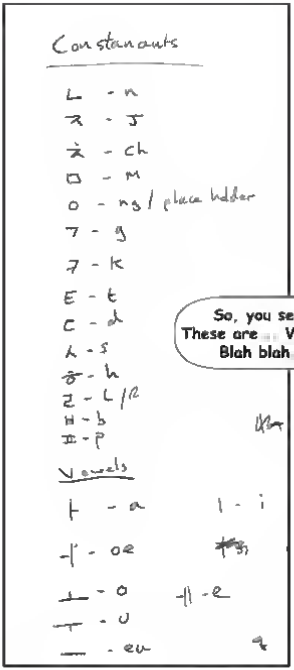
I was very appreciative that she was trying.

After a while, one day,
Gail visited our home.

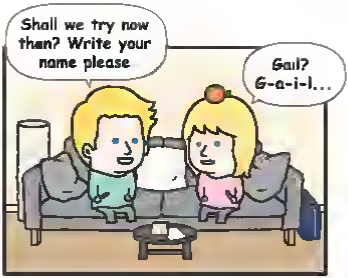
While I was out for a while,...



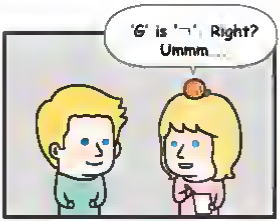
. . Mev taught her how to write in Korean.



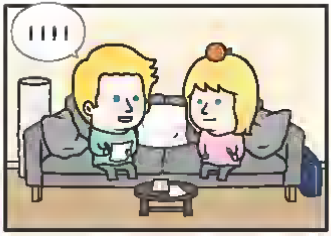
He started to exploin from consonants and vowels.



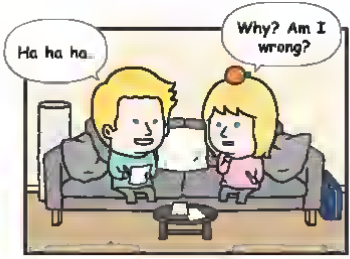
It was Gail's first try of writing in Korean.



After a while.



!!!!

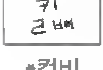


Ha ha ha..
Why? Am I wrong?

‘Gail’

*가일(게일)

‘Kirby’

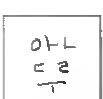


*컬비

'John'

*존

'Andrew'



*안두루

She invented a new Korean!!
